The Management Board of Synektik SA (hereinafter: Company) reports that the Company has signed an annex to the agreement of 9 July 2021 (hereinafter: Agreement) with Insightec Ltd with its registered office at 5 Nachum Heth St., Tirat Carmel 39120, Izrael (hereinafter: Insightec).

By the power of this annex cooperation in Poland will be extended in terms of the exclusive sales of Insightec products for non-invasive neurosurgery using concentrated ultrasound controlled by magnetic resonance (MRgFUS, Exablate Neuro) and cooperation in the Czech Republic and Slovakia will be expanded. The term of validity of the Agreement has been extended to 31 December 2025 with an option for an automatic extension by another 2 years.

As a result of the expansion of this Agreement, the Synektik Group has become the sole distributor of Insightec products for MRgFUS therapy in Poland, the Czech Republic and Slovakia.

The Company's Management Board reports that the expansion of cooperation with Insightec to distribute systems used for non-invasive neurosurgery (MRgFUS) is a continuation of the Group's growth strategy calling among other things for expanding the Group's sales markets by tapping into advanced therapeutic equipment.
