**Legal basis:** Article 17 sect. 1 of MAR – inside information

**Body of the report:**

Time of publication: 11:29 a.m.

The Management Board of Synektik SA (Company) reports that the Company has learned that its subsidiary doing business as SYNEKTIK Czech Republic, s.r.o. with its registered office in Prague, Czech Republic concluded significant agreements with the University Hospital in Pilsen (Fakultná nemocnica Plzeň) with its registered office in Edvarda Beneše 1128/13, 301 00 Pilsen, Czech Republic (Hospital).

These agreements pertain to the sale, delivery, installation and commissioning of the da Vinci minimally invasive surgery robotic system for the Hospital, personnel training and warranty maintenance care and post-warranty maintenance care for 8 years.

These agreements were concluded as a result of the procedure conducted in accordance with Czech public procurement law, and their maximum net value is USD 3,914,500.00.

The delivery of the robotic system to the Hospital will take place within a term of 1 month from executing the agreement. The warranty period for system delivery is 24 months from signing the final acceptance report. The other clauses do not deviate from the standards generally used in contracts of this type.

The signing of these agreements has been deemed to be significant by the Management Board of Synektik SA since their net value exceeds 5% of the equity of the Synektik Group disclosed in the last periodic report, meaning that it surpasses the level prescribed internally in the Company in its individual reporting standards.

The proceeds generated by executing the delivery of the da Vinci system will affect the sales results in the 2023 financial year lasting from 1 October 2023 to 30 September 2024.
