The Management Board of Synektik SA (Company) reports that the Company has concluded a significant agreement with Wojewódzki Szpital Specjalistyczny w Olsztynie [Voivodship Specialist Hospital in Olsztyn] with its registered office at ul. Żołnierska 18, 10-561 Olsztyn (Hospital).

This agreement pertains to the supply, assembly, installation and commissioning of the da Vinci robotic surgery system for the Hospital along with accompanying equipment, staff training and maintenance care.

This agreement was concluded as a result of a public tender proceeding conducted in the form of an unlimited tender for the net amount of PLN 10,587.959.18.

The da Vinci system will be delivered by 30 November 2024. The warranty period for system delivery is 24 months from signing the final acceptance report. The other clauses in the agreement concluded by the Company do not deviate from the standards generally used in contracts of this type.

The signing of this agreement was deemed to be significant by the Management Board of Synektik SA since its net value exceeds 5% of the equity of the Synektik Group disclosed in its last periodic report, meaning that it surpasses the level prescribed internally in the Company in its individual reporting standards. The proceeds generated by executing the delivery of the robotic system will affect the sales results in the 2023 and 2024 financial years.
