The Management Board of Synektik SA (Company) reports that the Company has concluded significant agreements with COPERNICUS Podmiot Leczniczy Sp. z o.o., with its registered office at: ul. Nowe Ogrody 1-6, 80-803 Gdańsk (Contracting Authority).

These agreements pertain to the supply, assembly, installation and commissioning of two da Vinci robotic minimally surgery systems with fixings for the Contracting Authority's hospitals (Szpital im. M. Kopernika w Gdańsku [Mikołaj Kopernik Hospital in Gdańsk] and Szpital im. Św. Wojciecha w Gdańsku [Saint Wojciech Hospital in Gdańsk]), as well as staff training and warranty maintenance care, and the successive deliveries of instruments and accessories for 36 months.

These agreements were concluded as a result of a public tender proceeding conducted in the form of an unlimited tender for the net amount of PLN 29,969,644.17. The project will be financed from the National Recovery and Resilience Plan.

The da Vinci systems will be delivered within 30 days of concluding the contracts. The warranty period for systems delivery is 72 months from signing the final acceptance reports. The other clauses in the agreements concluded by the Company do not deviate from the standards generally used in contracts of this type.

The signing of these agreements were deemed to be significant by the Management Board of Synektik SA since its net value exceed 5% of the equity of the Synektik Group disclosed in its last periodic report, meaning that it surpasses the level prescribed internally in the Company in its individual reporting standards. The proceeds generated by the project will affect the sales results in the financial years 2025-2028.
