Body of the report:

The Management Board of Synektik SA (hereinafter: Company) reports that in the 12 months of the 2025 financial year the Company's Group (hereinafter: Group) secured purchase orders to deliver medical devices for approximately PLN 493 million through the medical devices, IT solutions and services sales segment (hereinafter: Segment) belonging to the Company's Group versus approximately PLN 391 million in the 2024 financial year. The value of the purchase orders secured in the fourth quarter of the 2025 financial year was roughly PLN 70 million versus purchase orders worth roughly PLN 145 million secured in the fourth quarter of the 2024 financial year.

According to preliminary estimates the value of the purchase orders remaining for the Group to perform in subsequent periods (referred to as backlog) as of 30 September 2026 was PLN 43.3 million (PLN 75.9 million as of 30 September 2025).

According to preliminary estimates the value of in-force bids as of 30 September 2026 was PLN 200.1 million (PLN 198.7 million as of 30 September 2025).

The Company's Management Board emphasizes that the Segment's operational data are estimates and may deviate from the final results that will be presented in the interim report on the activity of the Company and the Group for the period from 1 October 2025 to 30 September 2026.
